

# Career Curriculum Sponsorship

Invest in the future workforce and showcase your leadership in our community.

As a Career Curriculum Sponsor, your business will engage directly with students at a People's Self-Help Housing Learning Center through a career presentation and a financial contribution.

How did you build your business or career? What skills are required? What does a "day in the life" of your job look like? Our young students want to know!

Through a presentation to a class and a generous donation, Career Curriculum Sponsors have a unique opportunity to:

- spark ambition
- build brand recognition
- strengthen community ties

## Sponsors provide:

- 20-minute career presentation at a Learning Center
- Light snacks for students during your visit
- (Optional) Branded items for students
- (Optional) Brochures or information to share with families
- A \$500 donation to support ongoing academic supplies and enrichment materials

## Sponsor benefits:

- Recognition as a Career Curriculum Sponsor, including a spotlight on social media, our e-newsletter, and our annual impact report
- Direct engagement with local students and brand engagement with their families
- Visible investment in workforce development and educational equity
